

Can you help?

The Parents Committee is aiming for a fresh start.

Without parents, the committee is unable to provide exciting, additional activities and events for our children.

If you are interested in joining the group,
please consider attending the first of our annual meetings at school on

Friday 5th November 2021, 3.30pm

Further meeting for the year are proposed for

Friday 21st January 2022, 3.30pm & Friday 29th April 2022, 3.30pm

At each meeting we aim to plan the events for the forthcoming term, with the opportunity for you to sign up to those activities that you are happy to plan or support.

We are currently organising the following for this year:
