Welcome Back from Mr Allen!

Welcome back everyone, our first full week and what a challenging week it has proved to be already. Years 7 – 11 were all tested upon their return and I was very relieved to have no positive cases. Unfortunately, we have been down five staff this week at various times and so have had to join groups or utilise our supply and support staff. All staff deserve a 'commendation' this week for keeping things running so smoothly – Thank you!

My assembly this week focussed on a fresh start. For those who had a good term let's do that again. For the pupils for whom last term was not 'the best', well, they can start again with a clean sheet. Life is not about not making any mistakes but from learning from those mistakes we make and moving on wiser, stronger, more resilient.

Upcoming Events:

17/01/22 U11 Netball V
Bredon (Home)

17/01/22 Year 5&6 Football
V Holy Redeemer (Home)

Evening 6.30pm – 8.30pm

20/01/22 Parents
Committee Meeting @
2.30pm

21/01/22 Open Day

Oliver Update!

James D, Jonathan T-T, Ellie C, Penny M, Josh L & Chloe M led a superb first chorus rehearsal yesterday after school. Our soloists along with 'Fagin's gang' gave a punchy first sing through of their piece 'Be Back Soon'. Very well done indeed!

Please note that lyric sheets are being sent home with the cast to help with their learning of the words. It is important that practice is carried out at home so that students feel confident with their singing parts. All cast members should now have received a rehearsal schedule to take home.

Backing tracks and 'sing along' versions of all pieces can be found on our 'Teams' page 'Oliver – Staff, Cast and Crew' within Files and Class Materials.

Thank you for your support!

Please remember that the competition is still open for designing the Oliver Logo so it's not too late to send your entries in!
