National Storytelling Week

The J5NS children introduced storytelling week to the prep school, explaining the magic of storytelling and how it has been throughout so many cultures over many years! We watched a video of the amazingly entertaining Michael Rosen performing his poem 'Chocolate Cake'. The children ended their assembly with a game of 'Name the Story', with each child performing and retelling a famous fairy tale, some of which you can see below! Their amazing storytelling skills enabled accurate guesses to be made! Well done, J5 NS!

Sporting Snippet

The U11 Netball team had their first fixture against a strong side from Holy Redeemer School. Bowbrook were slow to get started but soon found their feet and moved well around the court. The girls fought hard in the second half and created lots of opportunities, but unfortunately Holy Redeemer's shooter was on top form! Final score – Holy Redeemer 16 – 0 Bowbrook.
