Exploring Minibeasts

Nursery and Reception have been learning about minibeasts and this week our focus has been bees. Miss Brookes kindly invited us to come to her classroom so she could talk about her bees. She showed the children photos and had lots of lovely things for us to see. We even got to try some of her honey!

Well done Ben!

Ben from J5KT/SWa, shared his knowledge of farming with the class as they compared modern day machinery with the tools used by Ancient Sumerians. Ben did a fantastic job talking to his peers about life on his farm.

Star of the Week!

N – Roux for being polite.

R – Iris for super writing.

I1 – Indigo for writing a super recount about Florence Nightingale.

I2 – Aadil for a super recount on Florence Nightingale's life.

J3 – Harriet for always giving 100%.

J4 – Harper for showing great enthusiasm in Maths.

5NS – Bea H for working hard towards balancing her demanding extra-curricular activities.

5KT/SW – Ben for an outstanding history presentation.

6SR – Molly for excellent effort and progress.

Chicks have arrived!

Year 1 & 2 are very excited as they have got some very adorable guests joining them. There are 8 chicks that have come to stay with Year 1 & 2 for

several weeks. Now we just need to name them all!

Sporting Summary!

The U16s were triumphant in their final Netball game of the season against Kingham Hill School. On a hot afternoon the girls got to work scoring in the first minute of the match. Fantastic work transferring the ball up the court gave the attackers plenty of opportunities to rack up the goals. Lottie W and Holly A worked hard moving the ball at pace. Bowbrook had a 17-7 lead after 3 quarters. Kingham came back with energy in a dramatic final ten minutes but Bowbrook held strong to win 19-14.
