Guinness World Record for Year 4!

Last week, year 4 took part in National Numeracy Day. They were part of the official attempt of the Guinness World Record title for the most viewers of a rolling numbers live stream. The number they had to beat was 1,500 and the final count was 5,362...as counted by an official from the Guinness World records. All pupils received a certificate for participating. The pupils learned a dance routine taught by Katya from 'Strictly,' and took part in a rick and roll times tables rap.....A very different Maths lesson!

Star of the Week!

N – Roux for good listening.

R – George for good effort in Maths.

I1 – Francesca for super grouping in Science.

I2 – Nicholas for a fab diary entry from 'Boxton the Rat' and completing the challenge.

J3 – Adam for being a super friend.

J4 – Penny for great work in the assessments.

5NS - Rosie for a fantastic PowerPoint on Turkey.

5KT/SW – Tai for his tremendous effort to complete his assessments after being away poorly.

6SR – Isabella for upholding the school motto of 'Work with pride'.

Royal Crowns

In anticipation of our Jubilee celebrations, the children in Nursery and Reception collected natural materials to make some lovely nature crowns in Forest School.

Year 10 Business Studies

This week Year 10 finished their Globalisation topic through a multinational company- McDonalds. Mrs Fawdrey kindly supplied the school with some McDonalds packaging. A revision lesson was created using the supplies given to us! The reward for answering the questions on globalisation correctly, was a hot drink! If they didn't know the answer, they could ask another student. Thank you again to Mrs Fawdrey!

Upcoming Events:

30/05/22 Half Term begins

30/05/22 French Trip returns

06/06/22 Back in School

07/06/22 U13 Cricket V

10/06/22 Duke of Edinburgh
Expedition leaves

12/06/22 Duke of Edinburgh
Expedition returns

18/06/22 Summer Fayre
2pm – 4pm

Alternative PE Afternoons

Over the last 5 weeks, 12 Year 10 students have been working on their British Canoeing Starter Award at Aztec Adventure, Lower Moor. Students have had to demonstrate a good level of skill in a variety of different boats, including canoes and kayaks, as well as the ability to work together safely as a team using Katakanus. All have worked well together and have shown an excellent attitude throughout. Well done all!
