Duke of Edinburgh Expedition!

25 DofE students undertook the long journey down to Dorset, camping for two nights and working together in their expedition groups to complete two long walks across the South West Coast Path.

All students completed the walks successfully, despite the heat and heavy bags. Some stunning views and a few steep hills (alongside some dubious recipes on the stoves!), all finished with fish and chips followed by ice cream in Swanage before heading back on Sunday evening. A very successful weekend – every participant contributed and every one of them gained something from the weekend. Well done to all participants for their efforts.

Sporting Summary!

U9s Cricket vs Heathfield

On a lovely sunny afternoon, Heathfield Knoll's U9 mixed pairs cricket team travelled to Bowbrook to compete against our U9 team. All the students played well and had a fun afternoon but took away from the game the importance of communication and good bowling.

U14s Cricket vs Heathfield U15s

On Wednesday, a select 8 year 9's played Heathfield's mixed Year 9/10 team in a pairs game and comfortably came out on top. A good all round team performance and a positive victory. Well done, boys!

U13s Cricket vs Heathfield

Our final fixture of the week saw our U13s team take on Heathfield on a very warm Thursday afternoon. Lots of lessons have been learnt by the players about guarding their wickets but the boys competed to the final ball refusing to back down from the challenge ahead of them.
