Sporting Success!

This has been a bumper Athletics year for Bowbrook, who have been punching above their weight to attain a number of impressive honours. During the season they have produced a number of district champions and regional representatives. There are currently 5 Midland's ISA Championship winners within the school and a haul of 15 medals achieved at the ISA Midlands Athletics Championships held in Solihull in May. 7 athletes were selected to represent the Midlands at the ISA National Athletics Finals at the Ricoh Arena, Manchester in June. Oliver, Chloe and Alex each achieved a National Bronze medals coming 3rd in the discuss, hurdles and javelin respectively. It is great to have such a wealth of talent in track and field and we are very proud of them all. As a small school we know we can support individuals really well but to facilitate and harness talent is so important and it is great to see that coming to fruition in the form of athletics honours!

Well done, everyone!
