Instructions

Preheat the oven to 180C (360F).

Beat together the margarine, sugar and vanilla extract until creamy consistency.

Mix in the flour and the egg until the mixture comes together. Use the milk to bring it together a bit easier.

Split the mixture into 12 balls and place spread out on a greased baking tray.

Press your thumb into the top of each ball and fill the indent with a small amount of jam.

Bake in the preheated oven for around 15-17 minutes until browned. Leave to cool, then enjoy!
