

BLaST 2023/24

Dear Parents/Carers

BLaST (Bowbrook Learning and Support Team) would like to offer the opportunity to continue accessing 1:1 support lessons or, to start receiving lessons. We are able to offer literacy support through to year 11 and maths support to year 6. We also offer targeted speech and language support and social & communication skills.

2023/24 Individual Support Charges:

£39.00 per 50 min lesson 1:1

£24.00 per 30 min lesson 1:1

Lessons will be invoiced termly in arrears and added to the end of term bill.

NB. Lessons will not be charged for pupils who are absent from school through illness/medical reasons/school trips & sports matches. **Lessons will be still be charged for however if a pupil 'forgets' to attend.**

We will not withdraw pupils from core subjects and endeavour to reduce disruption to other lessons. As well as 50/30 min during lesson time, we are able to offer 30 min lessons during the lunch hour and 30 min after school (3.50pm – 4.20pm).

NB. **We will do our best to accommodate a preferred time but are unable to guarantee.**

New for 2023/24

Small group intervention (literacy focus) These sessions will be more regular and shorter. Interventions will run in half-termly/6-week blocks for pupils in the Prep School. We will contact parents directly.

Please use the following to inform your reply:

I would like my ***Son/Daughter (name /year group)*** to receive a ***50 min/ 30 min*** lesson each week. The focus of lessons being: ***literacy/maths – Yr 6)/speech & language/social & communication skills***. My preference is for this to be during ***lessons/during lunch/after school***.

I understand that I will be invoiced termly in arrears and give consent for these costings to be added to the bill. I confirm that I am responsible for paying the school's invoice.

Signed: Name/relation to pupil
