

Junior News

Year 3 - Science

J3 were put to the test to show off their understanding of key words from their science topic on healthy eating. Miss Tait read a definition and the children ran a lap of the playground whilst thinking about which answer to run to. They did a great job matching them up, and also ran off some unwanted saturated fats!!

Year 4 - Science

It's no yolk how 'eggciting' science is in J4. Translucent bouncing eggs.

Year 5 -

At the weekend, Hollie competed in a dance competition. She and her partner came first in the duet competition. Hollies troupe dances came first and second. Next stop is the Grand Final - we wish you all the luck!

Year 6 - Beware The Blitz!

Year 6 have been busy making 3D models of the Spitfires flown during World War II by the allied forces.
