

Week commencing Monday 20th of November – Rehearsals.

If your child does not know which scene they are in, then there is a list of characters and scenes on the notice board outside the hall. They should be taking responsibility for their part. A part of this is making sure that they are prepared for rehearsals – having their script in school, and turning up to rehearsals on time.

Reminder, please can you send in contracts if you haven't already. Also, after-school rehearsals on Thursday are now until 5:15.

As we move ever closer to performance, it is crucial that your child starts to learn their lines and choreography. Over Christmas, they are expected to learn everything so that when we return in January, they don't need their scripts.
