

Infant News

It's beginning to look a lot like Christmas...

The Infants had a wonderful time on the nativity trail at Bodenham Arboretum with J3. Many thanks to Miss Tait for organising the trip.

Infant News

Christmas crafts

The children enjoyed another trip to the pottery studio where they made and glazed christmas decorations which are now in the kiln.

Coming soon...

Wriggly Nativity 'Behind the scenes' movie!

We are very grateful to all staff who have supported us with our nativity production.

Junior News - 1/12/2023

Year 3

J3 enjoyed a fantastic trip to Bodenham Arboretum on Monday. Despite the rain, they completed a fun Nativity trail which featured scenes from the Christmas story. Along the way, they met lots of farm animals, before seeing Mary, Joseph and baby Jesus in the final stable. There was even a new donkey!

Year 4

More fun in Science this week. Our topic is sound and we made pan pipes and string telephones.

Year 5

Year 5 have continued to build upon and develop their marble runs. We have been impressed with how well the children have worked together! It was lovely to see the children showing resilience and perseverance with their designs - it doesn't always go to plan first time and that's alright!

Year 6

Year 6 have been starting to get 'festive' with making stained glass windows and they presented our Prep Assembly this week all about Advent.
