The team was positive throughout the game and kept communicating with each other. Our defence was like a Terry's Chocolate Orange - A tough one to crack! - by not allowing them to score at all during Q3!!

Our mid-court (WA, C, WD) were like Maltesers bunnies - They were full of energy, springing into space!

Our shooters were our Smarties - Always there with lots of opportunities to slip away from their opponents and to get shooting!!

Even though we were winning throughout, we still put up a big fight and didn't let our guard down. Amazing job, girls!! Well done to Harper Hartwell for getting the player of the match!
