

Bowbrook House School Parents Committee

2023 / 2024

ANOTHER FANTASTIC YEAR OF SUPPORT FROM THE PARENTS AND SOME VERY HAPPY CHILDREN!
THANK YOU

This year the Parents Committee have been focused on giving the parents and children those events that they want to attend.

We were grateful for the responses to our survey which we carried out before Christmas - this has enabled the PC to tailor our events to what you, as parents want and of course, what the children thoroughly enjoy doing.

Our Christmas Fayre was busy with lots of lovely stalls

We contributed to the hoodies for the cast & support for the wonderful performance of Charlie and the Chocolate Factory

We held a very successful book fayre which encouraged our budding readers, but also raised lots of money for the English department.
The value of the money transferred into books to boost its library.

The ever-popular discos are now a firm favorite on the calendar, and we are looking to expand these.

We supported the Senior school with the purchase of 8 tents to enhance the D of E experience; feedback already from the children is that they are lighter, easier to carry and can be put up far quicker, especially when the rain is on the way!

Our Summer fete was a fabulous day, not only were we blessed with the weather, but we also had lots of children's stalls too which was wonderful to see.

A busy day with a fantastic amount raised - more than £2,500.
Thank you for all the donations and support - it really does make the event possible.

We hope you enjoyed the Pimm's offering pre the Summer concert.
It was a small gesture from the PC to say we appreciate your support.

DATES FOR YOUR DIARY

PRE-LOVED Uniform sale over holidays in the marquee -TBC

Next PC meeting will be Wednesday 18th September and it's the AGM.
Any parents who wish to join would be welcome to come along.

Have a wonderful summer everyone and again, a HUGE 'thank you' for your support over the year
