This message was taken on board by the players who kept a defensive line with increased accuracy and Bowbrook succeeded in not conceding any more tries in the second half.

Whilst being stronger in defence, in attack the team continued to run direct lines and support each other with quick breakdowns to continue pushing up the field and score a further 5 tries to bring the final score to 50-15. A great performance from the team and well done to all players representing the school, especially the boys playing in their first fixture.
