U13's Football vs Bredon (H)

The match started with Bowbrook dominating the field against a much weaker Bredon team. Bowbrook's offensive prowess was on full display as they scored an impressive 9 goals. The goal scorers were:

James L: 1 goal
Noah N: 2 goals
Charlie B: 2 goals
Sam B: 1 goal
Tom W: 1 goal
Pasquale B: 1 goal
Rex P: 1 goal

By halftime, the score was a staggering 9-0 in favour of Bowbrook.

To ensure a more balanced and competitive game, the teams were mixed at halftime. This adjustment led to a much fairer and closely contested second half. Despite the challenging weather conditions, both teams played with great spirit and determination. The second half saw only one goal, resulting in a final score of 1-0 for the mixed teams.

Overall, the match was a testament to sportsmanship and adaptability, with the players showing resilience and enthusiasm despite the rain-soaked pitch.

U16's Football vs King's (A)

The Under-16 football match between Bowbrook and Kings Worcester at Kings was a display of athleticism and determination. Despite Bowbrook's best efforts, Kings Worcester proved to be the more dominant team throughout the match.

Kings Worcester took control early in the game, demonstrating their superior play. After 20 minutes, Kings scored their first goal, setting the tone for the rest of the match. By halftime, Kings had added two more goals, bringing the score to 3-0.

The second half saw Kings Worcester continue their offensive onslaught. They netted four more goals, with one coming from a well-executed penalty. Bowbrook, however, did not go down without a fight.

Cam J came close to scoring from a free kick, narrowly missing the target. Tom R's efforts in goal were commendable, as he made several crucial saves to keep Bowbrook in the game. Charlie C also made several attempts at goal, but his shots from distance were just out of reach.

Defensively, Josh L and Peter R were steadfast, not shying away from tackles and effectively halting some of Kings Worcester's runs down the wing. Their efforts in defense were a testament to Bowbrook's resilience and determination. The final score, Kings Worcester 7 - 0 Bowbrook.

Despite the scoreline, Bowbrook displayed commendable spirit and tenacity. The match provided valuable experience and lessons that the team will undoubtedly build upon in future games.

U16's Netball vs Kingham Hill (H)

Wednesday saw the U16's girls take on Kingham Hill on a cold afternoon. After a quick warm up they got underway with some quick movement and play to move the ball into the attacking D where Sofia scored the first point of the game. The game continued in Bowbrook's favour as Beth moved the ball quickly up the field again to Sofia and quick passes between her and Millie saw the second point scored again by Sofia, 2 out of 2.

As the game continued, Bowbrook showed their attacking dominance as the ball kept moving quickly into the attacking area and Bowbrook continued to make their shots count. Lottie, Mathilda, Freya and Heidi did an excellent job as defenders, repelling the Kingham attack, making vital blocks and interceptions, and ultimately allowing the Bowbrook attack to move clinically up the court to score more points. Slick passing between Beth, Rose, Sofia and Millie, allowed Bowbrook to take a commanding lead and finish the game with a 32-0 scoreline. Excellent play from all who took part.

U14's Rugby vs Wotton House (A)

On Thursday, the U14's took to the rugby pitch for the final time this year in the attempt of claiming a victory against Wotton House. Playing on an artificial pitch, the boys prepared quickly and readied themselves for the oncoming match. The game kicked off with Bowbrook immediately putting pressure on the Wotton team, forcing them to knock on, winning the first scrum of the match.

It was Bowbrook who scored first with Harrison scoring the first try of the match, showing his pace as he capitalised on the loose ball over the tryline. Wotton responded quickly with two tries of their own before Lucca powered over for his first try. Converting his own try, the scores were tied at 12-12.

Wotton again went on to score another two uncovered tries before Harrison scored after an excellent full pitch run, followed by Bobby who found himself in some space and weaved his way through the defence to dot the ball down. Following this Wotton went on to score a couple more tries ahead of Bowbrook and as we approached the final 10 minutes the score was 42 points to Wotton and 27 to Bowbrook (thanks to another try from Harrison completing his hatrick).

With 10 minutes to go, the team showed incredible resilience to continue pressurising the Wotton team. Jack and James both made menacing runs into the Wotton 22m area and on the receiving end of these, Harrison added another two tries to his tally to make his total tries score 5 for the game. Lucca also added his rugby experience and knowledge as he took the quick tap penalty in the last play of the game to power his way towards the tryline and score the final try (and his hatrick) to bring the score line to 44-42 to Bowbrook.

An excellent game of running rugby played by the Bowbrook team who should all be proud of their efforts in this game. Well done everyone!

Students should check the PE notice board to see if they are involved in fixtures.

Arts Week next week ... but:
