However, their goalkeeper proved to be an impenetrable force, blocking every attempt with remarkable skill.

At the other end, Isabelle I stood firm between the posts for Bowbrook, confidently handling any threats that came her way. SWSSA U11's Football Festival @ Bowbrook

Monday saw Bowbrook host a number of schools and just under 100 children from the local area in a 6 a side football competition. Preparing well over the last couple of weeks, the Bowbrook teams were excited to get underway and play football.

Bowbrook's A team had 3 schools in their group consisting of St Andrew's, Flyford Flavell, and St Barnabas. The team worked hard in all of their matches to play some lovely football, making the ball do the hard work and putting themselves into positions to take shots, score goals, and win matches. The team started well against St Andrew's with 4 goals being scored and a 4-0 victory. A closer game against Flyford Flavell saw the team keep pushing and attacking before finally, Leo found the bottom corner with a late shot to win the game 1-0. Their final game against St Barnabas was also a high scoring game where the team won 3-0 and finished top of their group.

The B team had 3 teams in the group and to make the matches even, they played each team in their group twice. Unfortunately for the team in this group, they faced two teams with experienced footballers and lost all of their games, however it was noted by many staff how much improvement the team made as the games went on and the team were unlucky not to capitalise on some attacking play and bag themselves a goal in their group.

Each team qualified for a new group to play in so that teams had the opportunity to play games against others of a similar ability. Bowbrook B found themselves in a group with St Andrews B and TDMS B and were involved in some much closer games. They started off well against St Andrews, showcasing what they have learnt with Jack scoring the only goal of the game and Bowbrook taking the win 1-0. They faced TDMS next and, after a long day of football in the sun, fatigue began to show and the team struggled to build on the momentum built from their previous game.

The A team faced the winners of each other group and found the competition more difficult but managed to compete well against the other teams. They faced Abbey Park in their first game who were also unbeaten going into this round and lost 2-0 against the tough opposition. Finally they played St Andrew's A and after a stalemate match, fatigue had set and St Andrew's managed to slip in a singular goal to snatch victory 1-0.

A fun and action packed day of football all round and some excellent skills on display by the Bowbrook teams. All who participated can be very proud in the way that they played and represented the school.
