U12's Football vs St Barnabas (H)

On Tuesday afternoon, Bowbrook U12s faced a tough challenge against a strong St Barnabas side at home.

Bowbrook started brightly, showing great energy and determination. Their early pressure paid off when Noah found the net with a well-taken goal, giving the home side a 1-0 lead. However, St Barnabas responded strongly, growing into the game and beginning to take control. As the match progressed, their attacking quality proved too much to handle, with the visitors netting seven times to secure a commanding victory.

Despite the scoreline, Bowbrook can take plenty of positives from the match. A special mention goes to the J6 students who stepped up a year group to play, showing fantastic resilience and commitment against older opposition. Their effort and attitude were a credit to the team, and their experience will be invaluable in their development.

Bowbrook will look to bounce back, taking the lessons from this game forward as they continue to grow as a team.

U14's Netball vs TDMS (H)

U14 Netball Team Triumphs Against TDMS with a 28-6 Victory!

Our U14 netball team put on a fantastic performance in their match against TDMS, securing a dominant 28-6 win! From start to finish, the team displayed incredible skill, teamwork, and determination.

A special shoutout to Grace, Bella, Flick, and Fea, who all showcased their shooting prowess by scoring multiple goals throughout the game. Their accuracy and confidence in the circle played a huge role in our success.

The third quarter was a real test as every player stepped out of their usual position. Despite the challenge, the team adapted brilliantly, showing versatility and resilience. It was amazing to see everyone rise to the occasion and work together so effectively! Defensively, Eleanor was outstanding, making some fantastic intercepts that helped keep TDMS at bay. Her awareness and quick reactions were crucial in regaining possession and turning defence into attack.

A huge congratulations to Bella, who was deservedly named Player of the Match for her excellent performance and all-around contribution to the game. Well done to all the girls for an incredible effort.

Photos

On Wednesday 2nd April, there will be winter and spring sports photos taking place in the afternoon.

These photos are for all students who have represented the school in a fixture at some point so far this year.

Can all who are going to be included in these photos please ensure that you have a clean PE & Games kit ready for these photos.

A schedule will be placed on the PE noticeboard outside the hall next week.

Students should check the PE notice board to see if they are involved in fixtures.
