Bowling with much improved precision, Bowbrook started well and took their first wicket with only 14 runs on the scoreboard. Precise fielding from James allowed Alfie to gather the ball behind the stumps, running the Lucton batter out. This was shortly followed by another wicket as Dan bowled the next player out and the score becomes 17/2. Out of the two teams, Bowbrook definitely took the most risks when at the

A much improved batting performance saw the Bowbrook team catch the Lucton team in the 12th over and Alfie delivered the final blow with a reverse sweep shot, sending the ball for a 4. 61 runs scored with six wickets taken in the innings and the boys returned to school victorious.
