

Annie Jr. Half term 3 rehearsal schedule, important dates and information

Dear students and parents,

With only 4 school weeks of rehearsals before the show it is particularly important that everyone attends all rehearsals unless there is an absolutely unavoidable reason.

Students missing rehearsals impacts the others in the scene as well as their own preparedness. It is disruptive to the rehearsal when we have students leaving rehearsals at different times so we ask that pupils now stay until the published end time.

Advanced notice of any absence please to c.mills@bowbrookhouseschool.co.uk
When collecting after rehearsals please park up and collect from the specified venue.

We ask students to aim to be 'off book' by Thursday 8th January, so please learn lyrics and lines over the next few weeks.

We're really looking forward to seeing you all in rehearsals after the Christmas break!

Many thanks

The Annie Jr. Production Team

Annie Jr. Half term 3 rehearsal schedule, important dates and information

All rehearsals from this point will be based in the Hall. Collection from the Playground.

Some groups may be taken to other venues to rehearse individual scenes.

Pupils should bring a quiet activity as they will be expected to wait quietly & respectfully when they are not on stage but should be ready for their entrances. They may of course watch the rest of the show!
