January 2026

Dear Parents

Not long to go now and students have been working really hard to ensure that you all get to enjoy the Show!

We appreciate that there are many logistical elements to consider during Show week, so for your information and to aid in your planning, please note the following timings for each of the performances:

Wednesday 11th February; dress rehearsal:
Normal end of the day collection time.

Thursday 12th February; performance 1
Arrive at school at 6pm
Curtain up at 7pm
Collection from the Byland Block (prep school) approx. 9pm

Friday 13th February; performance 2 (Matinee to begin in the school day)
Curtain up at 3pm
Collection from the Byland Block (prep school) approx. 5pm

Friday 13th February, performance 3
Arrive at school 6.30pm
Curtain up at 7.30pm
Collection from the Byland Block (prep school) approx. 9.30pm

Please ensure that students bring a drink and quiet activity to each performance. In addition, mobile phones will not be permitted but, at the responsibility of students, may be switched off and kept in bags.

We are aware that some families live further away and some students use the school bus. For these students there will be supervision in the Schofield block with Mr Mills between the Matinee and evening performance on Friday 13th February. These students should bring a packed tea, a drink and an activity/homework to complete. Please note that this is provision for students only. Parents are not permitted to stay on site due to safeguarding and fire regulations.

If you would like to request that your child stay in school for this reason on Friday 13th, then please complete this Form (also sent via Engage): [Friday 13th February: Supervision request – Fill in form](#)

As a reminder, our last, full rehearsal takes place on Saturday 7th February from 10am – 3pm (9am for tech crew) in the school hall.

As per the rehearsal schedule there is an additional after school rehearsal planned on Tuesday 10th Feb, which will be for selected scenes dependent on the need identified at the rehearsal on Saturday 7th. We will share with students in school on Monday 9th if they are required and ask that parents please also check their emails on Monday 9th. This could be main roles or ensemble or both.

Many thanks for your continuing support in this whole school endeavour.

The Annie Jr. Production Team

Headmaster: C.D. Allen B.Sc.Hons.
